

Thomas Jefferson to Washington, D.C. Commissioners, January 7, 1802, from Thomas Jefferson and the National Capital. Edited by Saul K. Padover.

Jefferson to the Commissioners

Washington Jan. 7. 1802

Gentlemen

I have recieved and duly considered your letter of yesterday on the subject of the frame house erected contrary to rule by mr Rhodes, and approve of your opinion that measures should be taken for it's removal. I suppose it will be best for you to apply to mr Mason the Attorney for the district. Accept my respect & best wishes.

Th: Jefferson

THE COMMISSIONERS OF WASHINGTON
